

MODEL NUMBER	DESCRIPTION
141-012A	Flashing light, 12VDC, amber
141-012B	Flashing light, 12VDC, blue
141-012R	Flashing light, 12VDC, red
141-024A	Flashing light, 24VDC, amber
141-024B	Flashing light, 24VDC, blue
141-024R	Flashing light, 24VDC, red
141-036A	Flashing light, 36VDC, amber
141-036B	Flashing light, 36VDC, blue
141-036R	Flashing light, 36VDC, red
141-120A	Flashing light, 120VAC, amber
141-120B	Flashing light, 120VAC, blue
141-120R	Flashing light, 120VAC, red
141ST-012A	Strobe, 12VDC, amber
141ST-012B	Strobe, 12VDC, blue
141ST-012G	Strobe, 12VDC, green
141ST-012R	Strobe, 12VDC, red
141ST-024A	Strobe, 24VDC, amber
141ST-024B	Strobe, 24VDC, blue
141ST-024G	Strobe, 24VDC, green
141ST-024R	Strobe, 24VDC, red
141ST-120A	Strobe, 120VAC, amber
141ST-120B	Strobe, 120VAC, blue
141ST-120G	Strobe, 120VAC, green
141ST-120R	Strobe, 120VAC, red
141ST-240A	Strobe, 240VAC, amber
141ST-240B	Strobe, 240VAC, blue
141ST-240G	Strobe, 240VAC, green
141ST-240R	Strobe, 240VAC, red

Electraflash® Flashing Light Models 141 & 141ST

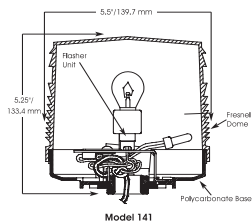

SHORT SELLING STORY

141 IS IDEAL FOR

- Economical visual signaling
- Active warning applications
- Light duty industrial applications
- Loud environments

141 141ST

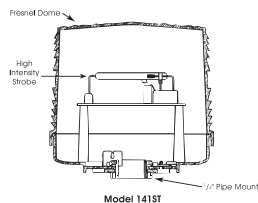

141

- 12VDC, 24VDC, 36VDC and 120VAC
- Impact resistant fresnel dome in 5 colors—amber, blue, clear, green, and red
- Less than 6" high and 6" in diameter
- Type 3R enclosure (protection against falling dirt, rain, sleet, snow, and windblown dust)
- 120VAC model is UL Listed, CSA Pending

141 ST (Strobe)

- 12VDC, 24VDC, 120VAC, and 240VAC
- 4,000-hour strobe tube!
- Impact resistant fresnel dome in 4 colors—amber, blue, green, and red
- Type 3R enclosure
- All models are UL Listed

FEATURES

- Compact and bright
- Multiple mounting configurations, voltages, and colors
- Five colors available
- Type 3R for indoor and outdoor
- 5-year warranty

BENEFITS

- High performance in a small package
- Versatile signaling!
- Signal 5 events
- Suitable for outdoor use
- Peace of mind

APPLICATIONS

- Maintenance vehicles
- Fork lifts
- Material handling equipment
- Warehouses & light duty factories

POSSIBLE CUSTOMERS

- OEM
- MRO
- Panel builders
- System designers

COMPETITIVE ADVANTAGES

- Economy
- Dependability
- Clarity of signal—it's bright!
- 5-year warranty
