

MODEL NUMBER DESCRIPTION

FB2PST-012-024A	Strobe, 12-24VDC, pipe/surface mount, amber
FB2PST-012-024B	Strobe, 12-24VDC, pipe/surface mount, blue
FB2PST-012-024C	Strobe, 12-24VDC, pipe/surface mount, clear
FB2PST-012-024G	Strobe, 12-24VDC, pipe/surface mount, green
FB2PST-012-024M	Strobe, 12-24VDC, pipe/surface mount, magenta
FB2PST-012-024R	Strobe, 12-24VDC, pipe/surface mount, red
FB2PST-120A	Strobe, 120VAC, pipe/surface mount, amber
FB2PST-120B	Strobe, 120VAC, pipe/surface mount, blue
FB2PST-120C	Strobe, 120VAC, pipe/surface mount, clear
FB2PST-120G	Strobe, 120VAC, pipe/surface mount, green
FB2PST-120M	Strobe, 120VAC, pipe/surface mount, magenta
FB2PST-120R	Strobe, 120VAC, pipe/surface mount, red
FB2PST-240A	Strobe, 240VAC, pipe/surface mount, amber
FB2PST-240B	Strobe, 240VAC, pipe/surface mount, blue
FB2PST-240C	Strobe, 240VAC, pipe/surface mount, clear
FB2PST-240G	Strobe, 240VAC, pipe/surface mount, green
FB2PST-240M	Strobe, 240VAC, pipe/surface mount, magenta
FB2PST-240R	Strobe, 240VAC, pipe/surface mount, red
FB2PST-I-024A	Strobe, 24VDC, pipe/surface mount, amber, *
FB2PST-I-024B	Strobe, 24VDC, pipe/surface mount, blue *
FB2PST-I-024C	Strobe, 24VDC, pipe/surface mount, clear *
FB2PST-I-024G	Strobe, 24VDC, pipe/surface mount, green *
FB2PST-I-024M	Strobe, 24VDC, pipe/surface mount, magenta *
FB2PST-I-024R	Strobe, 24VDC, pipe/surface mount, red *

* in-rush limited

**Fireball[®] Strobe Warning Light
Model FB2PST**

SHORT SELLING STORY

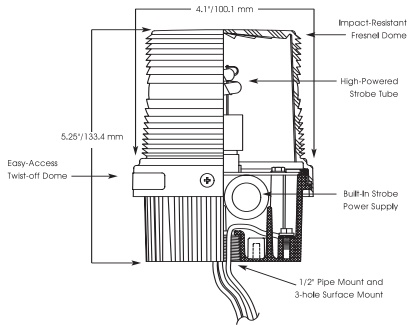

**THE FIREBALL STROBE
IS A WINNER!**

- Superior strobe light signaling
- Active warning applications
- Loud environments

FB2PST

FB2PST

- 12–24VDC, 120VAC and 240VAC
- Impact resistant fresnel dome in 6 colors—amber, blue, clear, green, magenta and red
- 10,000-hour strobe tube!
- Only 5” high and 4” in diameter

- Twist-off dome for quick and easy dome and lamp replacement
- Electrostatically applied black epoxy paint for corrosion resistance
- 2 mounting configurations: surface mount and integrated 2” pipe mount
- Type 4X, IP66 enclosure (watertight, dusttight, corrosion resistant)
- UL Listed, CSA Certified for indoor/outdoor use
- *Magnetic mounting kit with cigarette lighter power cord available as an option*

FEATURES

- Compact and bright
- Multiple mounting configurations, voltages, and colors
- Six colors available
- Type 4X rating
- Strobe light technology
- Black epoxy paint electrostatically applied to the base
- 5-year warranty

BENEFITS

- High performance in a small package
- Versatile signaling!
- Signal 6 events
- Suitable for wash-down applications
- Vibration-resistant and long life
- Corrosion resistance
- Peace of mind

APPLICATIONS

- Industrial vehicles
- Manufacturing plants
- Wastewater treatment facilities
- Warehouses
- Process control
- Status indication

POSSIBLE CUSTOMERS

- OEM
- MRO
- Panel builders
- Systems designers

COMPETITIVE ADVANTAGES

- Economy
- Dependability
- Clarity of signal—it's bright!
- 5-year warranty
