

MODEL NUMBER	DESCRIPTION
USI-024QC	UniStat [®] , quad-color, single-high, 24VDC
USI-024TC	UniStat [®] , tri-color, single-high, 24VDC
USI-120QC	UniStat [®] , quad-color, single-high, 120VAC
USI-120TC	UniStat [®] , tri-color, single-high, 120VAC
USIS-024QC	UniStat [®] , quad-color, sounder, single-high, 24VDC
USIS-024TC	UniStat [®] , tri-color, sounder, single-high, 24VDC
USIS-120QC	UniStat [®] , quad-color, sounder, single-high, 120VAC
USIS-120TC	UniStat [®] , tri-color, sounder, single-high, 120VAC
USIX-024QC	UniStat [®] , quad-color, hazardous location, single-high, 24VDC
USIX-024TC	UniStat [®] , tri-color, hazardous location, single-high, 24VDC
USIX-120QC	UniStat [®] , quad-color, hazardous location, single-high, 120VAC
USIX-120TC	UniStat [®] , tri-color, hazardous location, single-high, 120VAC

UniStat[®] Status Indicator

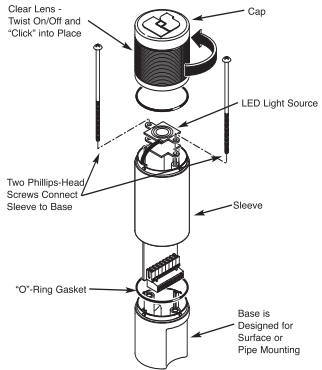

SHORT SELLING STORY

MULTIPLE COLORS IN A SINGLE-HIGH FIXTURE!

- 100,000 hour LED Technology
- Low profile and small footprint
- Multiple colors and patterns
- Versatile mounting options
- Great for both OEM and general signaling applications

USIS
USIS

* Sleeve of USIS features sound vents not pictured here.

USI

- Tri-color and quad-color with multiple patterns
- 100,000 hour, vibration resistant LED (Light Emitting Diode) Technology
- Two mounting configurations (Surface and Integrated 1/2" pipe mounts)
- PLC Compatible
- 24VAC/DC and 120VAC
- Type 4X
- UL and cUL Listed, CSA Pending, CE Compliant (24VAC/DC)

USIX

- Designed for hazardous location applications
- Plus all the other standard UniStat features!

USI

- Includes Sounder module
- Plus all the other standard UniStat features!

FEATURES

- 100,000 hour LED technology
- High performance in a small, single-high package
- Multiple mounting configurations, voltages, and colors
- Designed for the industrial market
- 3 and 4 colors available
- 5-year warranty

BENEFITS

- Long life
- An elegant space-saving solution
- Versatile signaling!
- User friendly installation and maintenance
- Signal multiple events
- Peace of mind

■ *Designed for both OEM and MRO applications*

APPLICATIONS

- Work cells
- Conveyors
- Process controlled manufacturing

POSSIBLE CUSTOMERS

- OEM
- MRO
- Panel builders

COMPETITIVE ADVANTAGES

- Dependability
- Versatility
- Clarity of signal—it's bright!
- 5-year warranty
