

# High Velocity Pedestal Fans

## HIGH VELOCITY AIR MOVEMENT

When the movement of air at high velocity is critical, look to Fresh Air's Pedestal Fans to direct air where it's needed – instantly.

### Designed to offer maximum versatility

Fresh Air's Pedestal Fans are designed with versatility in mind. Our fan offers telescoping poles so you can choose the height that's right for your location. The fan heads offer 90° movement: the PFP30 tilts 90° from top to bottom; the PFP22OSC oscillates 90° from side to side.

### Rugged features—built to last

Fresh Air Pedestal Fans are built with features designed for heavy duty use: 3-speed thermally protected motors, sturdy bases that offer maximum stability, and OSHA compliant chrome grills.

Pedestal Fans and other high velocity air movement products – including Portable Air Circulators and Heavy Duty Exhaust Fans – are part of the Fresh Air line of fans from Penn Fan Inc., a leader in the ventilation industry for over 40 years, offering a complete line of air movement and air delivery products for the ventilation industry.

# PFP 30

## 30" Pedestal Fan

Designed for commercial, industrial, and agricultural use, this rugged fan offers a 5' to 7' height adjustment and a fan head which tilts up to 90°, perfect for factories, garages, and large barns and green-houses. A Hanging Bracket is available for this model.

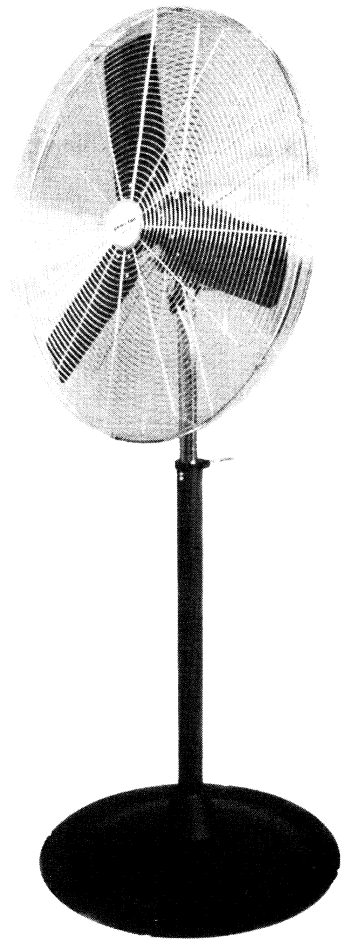

### CFM\* RATINGS

4800 (High)  
4400 (Medium)  
4100 (Low)

\* CFM tested and rated at AMCA Standards.

### Features:

- Heavy duty 3-speed thermally protected PSC motor
- Adjustable fan height (from 60" to 84")
- Fan head tilts 90°
- Black satin powder-coated finish
- All metal construction
- OSHA compliant grill
- 9' power cord
- Easy to assemble with household tools
- 2-year limited warranty

# PFP 22 OSC

## 22" Oscillating Pedestal Fan

The PFP 22 OSC features a fan head which oscillates a full 90°, perfect for moving air from one end of the room to the other, especially with a telescoping pole that adjusts the fan height from over 4' to almost 6'. Manufactured with the same rugged features customers expect from Fresh Air.

### CFM\* RATINGS

4100 (High)  
3800 (Medium)  
3500 (Low)

\* CFM tested and rated at AMCA Standards.

### Features:

- Heavy duty 3-speed thermally protected motor
- Fan head oscillates 90°
- Adjustable fan height (50" to 71")
- Premium powder-coated finish
- All metal construction
- OSHA compliant grill
- 6' power cord
- Easy to assemble with household tools
- 2-year limited warranty
